

Alpha Valley Roofing

Terms of Service

These terms apply to your use of the Alpha Valley Roofing website and to free roof inspection requests submitted through it.

FREE INSPECTIONS:

Roof inspections are provided free of charge and with no obligation. Submitting a request does not create a contract for roofing work. Any repair or replacement work is governed by a separate written agreement.

ESTIMATES AND PRICING:

All pricing is provided in writing before any work begins. We will never pressure you into unnecessary work, and you are free to obtain additional estimates.

WORKMANSHIP WARRANTY:

Completed roofing work is backed by our lifetime workmanship warranty, subject to the terms provided in your written installation agreement.
